Ground Floor Plan

As you step into the ground floor, there is a common area on the right, offering students a comfortable space for relaxation and collaboration. To the left, a student lounge, measuring 10m x 14m, provides students with an ideal spot for studying and group discussions. Beside it is a video conferencing room that is 14m x 14m in size, designed for virtual meetings and interactive sessions. Conveniently located directly across from the video conferencing room, two restrooms ensure easy access for all.

First Floor Plan

On the first floor, located all the 4 labs including two general purpose labs, a Cisco Network Lab and an Embedded Lab. Besides, considering that there would be technical issues that may require assistance, a room for IT staff is also added to the building.
